Calculated using Vantage Score 4.0

Negative score factors

12: Delinquent or derogatory status on accounts is too recent.
31: Not enough available credit on revolving accounts.
62: Lack of first mortgage account information.
24: Too many bankcards with high balance compared to credit limit.

Positive score factors

P43: Few or no revolving accts with high balance compared to credit limit.
P03: Average time since accounts opened is not too recent.
P05: Few or no recent delinquencies.
P07: Few or no accounts delinquent or derogatory.

The factors are listed in order of importance based on their influence on the credit score. For an easy-to-understand explanation of each code, visit reasoncode.org.

Notice for consumers in California

This report does not guarantee the accuracy or truthfulness of the information as to the subject of the investigation, but only that it is accurately copied from public records, and information generated as a result of identity theft, including evidence of criminal activity, may be inaccurately associated with the consumer who is the subject of the report.

Report detail

Report ID: Z-83924006, Z-83924007

Rental property ZIP Code: 05866

Background check summary

Housing court records	Criminal records
0	0

Housing Court Record

The result of housing court record searches may vary according to (1) collection restrictions by the different court jurisdictions which may result in some areas not having coverage and (2) reporting restrictions due to government regulations applicable to the rental property's location. CIC applies industry best practices in the attempt to accurately match and report these records.

No housing court records found

Criminal Record

The result of criminal record searches may vary according to (1) collection restrictions by the different court jurisdictions which may result in some areas not having coverage and (2) reporting restrictions due to government regulations applicable to the rental property's location. CIC applies industry best practices in the attempt to accurately match and report these records. The end user should compare the applicant supplied information with demographic data and any physical descriptors in determining a positive match prior to the end user making any decision.

No criminal records found.
